Brindavanam	A cave in Ahobilam

He is a very famous Acharya in our lineage after Sri Adivann Sathakopa Jeer. He initiated Panchamatha Panchanam Sri ThathaChariar Swami into Sri Sannidhi Sri Karyam Kainkaryam. He did Sancharam from Srirangam to Sri Ahobilam and had many disciples.

One of the Vijayanagar Kings, Sri SadaSiva Rayan had very great regard for this Jeer and gave “Sri Bhasyapuram” village to Sri Ahobila Mutt. One day, his daughter became possessed by a very powerful evil spirit and the magicians who were asked to help, could not do anything. The evil spirit said that if our Jeer will come and ask it to leave, it will do the same. This Jeer went to the king's palace and gave Sri Sannidhi holy water to the king's daughter. The evil spirit left the king's daughter, as promised and this Jeer became very famous.

Sri Ahobila Nrushimhar at Upper Ahobilam, came in his dreams and asked him to come to his Sanctum Sanctorum and spend the rest of the Jeer's life deep in a cave just below the Sanctum Sanctorum. So, this Jeer gave the Sri Sannidhi duties to one of his disciple and left for

Ahobilam. After some years, one of the Jeer's disciples, Sri Thatachariar swami went to Upper Ahobilam, unable to bear his Guru's separation. It is said that this Jeer came in person and after comforting the disciple, went back to his penance. It is believed that even now, he is in a deep yogic penance just under the Sanctum Sanctorum.
